Mr. Mills said:

There may be some who can not believe in Christ, no one can fail to believe if they desire rightlebusness. If you have a brain or soul you must admit the truth. There is the word of God, there is estience, there is observation, all saying. "If a man will not believe the time will come when he are not."

The word "opportunity" expresses all that is contained in the good book, one of boundless coportunity or boundless ruin. "Ye shall call upon me but I will not answer." If any man shall sin sgalest man it shall be forgiven, but who soever sine against the Holy Ghoat it shall never be forgiven.

The only way to get right is to give up what is wrong. If God abovs you his will it is right for us to do it. There is no unbelief that is not born of resistance to God—and beware lest you get beyond feeling and beyond hope. If we sin wilfully and after we have received a knowledge of the truth, then we commit the unpurdonable sin.

INTER-MOUNTAIN KENNEL CLUB.

More Prizes for the Fair-Protect Against the \$3 Dog Tax.

The Inter-Mountain Kennel club met last evening at the Knutstord hotel.

The club decided to add to the prizes already offered for the dog department at the territorial fair, a prize of \$35 for the best kennel of dogs of any breed, and \$100 for the best dog, male or female, out of the St. Bernard bitch, Carlton Dally. The latter prize is offered by Mr. Kinney in the name of the club. A change was made in the challenge class, so as to correspond with the American Konnel club rules.

The St. Bernard's are to be divided into two classes, smooth and rough.

The following classes were added to the exhibit.

exhibit:
Great dane, Gordon setter, English bull terrier, bloodhound, dachshund, Irish water spaniel, clumber spaniel, cocker spaniel, bull dog, skye terrier, Unesapsake hay, dandy denmont terrier, Newfoundland and Scotch terriera. Messra Nickum, Starbuck and Holcombe were appointed a committee on judges. It is expected the dog department at the fair this year will be very good. There are a large number of entries of fine dogs.

The club made a protest against the \$3 dog tax ordinance in force in this city. The members were unanimously of the opinion

that the people are not in favor of having a tax so high that the dog catcher can make \$500 or \$600 a month out of it. The opinion was that \$1.50 tax is high enough and that dogs kept chained and racing dogs should be exampt. It was also stated that the present method of catching and killing the stray dogs was a very cruel one and should be changed.

A committee consisting of Messra. Hol-comb. Grimes, Kinney and Starbuck was appointed to draw up and present resolu-tions embodying the above to the city council at its next meeting.

The club adjourned until Monday night.
